description:

Villa in Albir only a few minutes away from the beach.

It is a two-story house.

The ground floor has a garage, two individual apartments and one studio. All of them with their own entrance and private terrace.

On the second floor, there are two lovely terraces, a large living room, two bedrooms with possibilities of making a third one, two bathrooms and a kitchen. One of the terraces faces south, and the other one faces west. From the terrace there is a staircase leading you up to a large roof terrace, which has amazing panoramic views. The garden is very nicely taken care of. The current owner currently has all three apartments under lease.
