description:

House for sale in Bello Horizonte, La Nucia.

The property was renovated between 2005-2009 and it has three bedrooms, two bathrooms, a swimming pool, and a garage. The bedrooms are spacious and they come with built in wardrobes. The main bedroom has an ensuite bathroom and it also has direct access to the garden. The kitchen is amazing, with natural light coming from the living room, which has a fireplace and also access to the garden.

There is a swimming pool, an outside restroom, and a shower. Next to the porch there is a storage room. The garage is next to the entrance and there is enough room to park a couple cars. The house has a central heating system as well as A/C in all rooms. This is a very practical, beautiful and easy to maintain house.
