description:

A hidden treasure in the beautiful mountains above Altea La Vella. This property is on a cul-de sac in a quiet area. The house is very well kept and cosy, with a sunny and private plot and nice views. The plot is easy to maintain and has a swimming pool, barbecue and a parking area for several cars. The garage is on the bottom floor as well as the guest apartment.

The guest apartment has a big room perfect for large gatherings, a kitchen, bedroom, toilet and a storage room. Next there is a laundry area, from which there is access to a covered terrace.

The house features a very special and beautiful entrance. On the ground floor there is a toilet, a bedroom, dining area (which used to be a bedroom), a big living room with chimney and the kitchen. You can access the swimming pool area from the kitchen as well as from the lounge. On the top floor, which you access through a beautiful staircase, we find the master bedroom, a complete bathroom and a big balcony with beautiful views.

The whole house is in rustic style and very bright.

There is just 5 minutes by car to Altea la Vella, where you find all the services, and 10 minutes to the golf course Don Cayo.

This house is perfect for a person who wants tranquillity, to be close to nature and have plenty space for guests.
